

## Gendered Realities: Essays in Caribbean Feminist Thought

The chapters in *Gendered Realities* covers diverse and rich topics, including the role of women in Caribbean art and the visual grammars of gender in early Caribbean painting as well as the development of womens history and gendered history in relation to the historiography of the English-speaking Caribbean. Other essays probe the representation of masculinity in Caribbean feminist thought, gender and adult sexuality, gender in education, and symbols of masculinity in visual art.
