

Secret Laws of the Universe

Secret Laws of the Universe is a non-denominational book of the various spiritual laws that rule life found in all of the worlds religions and philosophies, and how you can use them to the benefit of yourself, your family, and friends. In simple and direct language, various life circumstances are explained from the standpoint of the law of love, the law of mercy, the law of karma, and many other spiritual laws of the universe. In understanding these cosmic spiritual concepts you are then shown how to use them to your advantage and to find great success, happiness, and love.
