

101+ Great Ideas for Teen Library Web Sites (Teens @ the Library) (Teens @ the Library)

Think of your library's teen Web site as Their Space. Teens want their own space online, and with the help of this new book, you can create a teen library site that's cutting-edge, engaging, and effective in connecting young adults to your library. Here you'll find inspiring examples and ideas from ground-breaking teen librarians across the country. Doyle offers ideas for providing online workshops and instruction, homework help, reference services, reader's advisory, programming, summer reading, and more via your Web site. In addition to outlining the must-haves of a teen site, she demonstrates innovative uses for the latest technologies, including: Podcasts, Instant messaging, Blogs, Discussion lists, RSS feeds, Wikis, Texting, And more.
