

## Starstruck: When a Fan Gets Close to Fame

Why are we so obsessed with fame? In *Starstruck*, former autograph hound and current entertainment journalist Michael Joseph Gross searches for the answer as he travels from Hollywood to Dollywood, Neverland to Middle Earth. He chases after Mick Jagger with a professional autograph collector; gets the inside scoop from Mary Hart on covering Hollywood for Entertainment Tonight; walks the red carpet with Sean Astin during *The Lord of the Rings* Oscar championship season; and discovers what fans look like to the celebrities themselves—who often seem to be among the most starstruck of us all.
