

## Policy, Politics and Gender: Women Gaining Ground

\* Covers NGO, government agency, and international agency policies\* Addresses key policy areas, such as education and work, through gender analysisPolicy, Politics & Gender identifies and develops the connections between womens politics and public policies and practices. Staudt focuses on political activism, underscoring strategies that have influenced great change in policies. By examining the realities of social change from all perspectives, we are reminded that every institution is a source of and site for struggle.
