

## Outlaws: Inside the Hells Angel Biker Wars: Inside the Violent World of Biker Gangs

An outlaw motorcycle club is a band of brothers like no other. Hidden away from mainstream society behind multiple layers of secrecy, mythology and a sophisticated campaign of misinformation that portrays them as nothing more than loveable rogues, the brutal truth about the biker world has long escaped public scrutiny. In reality, today's outlaw bikers are at the epicentre of a violent underworld subculture, enforced by a ruthless code of silence, and control a global criminal empire worth millions. Spanning the UK, Europe, America, Canada and Australia, OUTLAWS is a compelling, shocking and chilling story of how bikers are born and made, and how and why they die.
