

# Invisible Men: The Secret Lives of Police Constables in Liverpool, Manchester and Birmingham, 1900-1939

This book provides a comprehensive study of English police constables walking the beat in the early part of the twentieth century. Joanne Klein has mined a rich seam of archival evidence to present a fascinating insight into the everyday lives of these working-class men. The book explores how constables influenced law enforcement and looks at the changing nature of policing during this period.
