Wittgenstein: Understanding and Meaning: Volume 1 of an Analytical Commentary on the Philosophical Investigations, Part I: Essays

This is a new edition of the first volume of G.P.Baker and P.M.S. Hackers definitive reference work on Wittgensteins Philosophical Investigations. New edition of the first volume of the monumental four-volume Analytical the Commentary on Philosophical Investigations. Takes into account much material that was unavailable when the first edition was written. Following Bakers death in 2002, P.M.S. Hacker has thoroughly revised the first volume, rewriting many essays and sections of exegesis completely. Part One - the Essays - now includes two completely new essays: Meaning and Use and The Recantation of a Metaphysician. Part Two - Exegesis 1-184 - has been thoroughly revised in the light of the electronic publication of Wittgensteins Nachlass, and includes many interpretations of the remarks, a history of the composition of the book, and an overview of its structure. The revisions will ensure that this remains the definitive reference work on Wittgensteins masterpiece for the foreseeable future.
